#### *Missions Prayer Requests*

**Shay & Abigail Babalola:** Pray for their family, friends, and church family in Nigeria. Pray for them as their plans for Nigeria may be delayed.

**Kirk & Yolanda Rogers:** Pray for their daughter, *Kayla*, who is struggling with health issues. She was ready to start working again (following her hospitalization for internal bleeding) when she came down with a cold. Pray that she will recover quickly and not be discouraged.

There have been four COVID-19 cases in Guinea, all of which were contracted outside the country. Pray that it does not spread there and that the church in the *Rogers'* village will continue to encourage each other and build each other up.

**Nathan & Renee Owens:** Praise God that they made it back to Antigua. Pray for the Islanders as tourism is their key source of income. As of Thursday, there were 3 confirmed cases of the Coronavirus in Antiqua.

#### **Quote of the Week**

"There is no more blessed way of living, than the life of faith based upon a covenant-keeping God – to know that we have no care, for He cares for us; that we need have no fear, except to fear Him; that we need have no troubles, because we have cast our burdens upon the Lord, and are conscience that He will sustain us." ~ *C.H. Spurgeon*

#### **Scripture of the Week**

He that dwelleth in the secret place of the Most High  
shall abide under the shadow of the Almighty. *Psalm 91:1*
