*Missions Prayer Requests*

**Shay & Abigail Babalola:** They praise God for His goodness and provision to them and their supporting churches. Pray that they will wait patiently for the Lord’s timing to go to Nigeria.

**Arnulfo & Carrie Mendoza:** Pray that the children and teens in their church body will not drift away from the Lord during this time of sheltering in place. Mexico has officially closed the factories, which is where most of their congregation work. Pray that they will trust in their Heavenly Father and know Him as their faithful provider during the weeks ahead.

**Kirk & Yolanda Rogers:** Pray for safety and perseverance for their co-worker (Cameron) and his family, who are still in Guinea. Over 100 cases of Covid-19 have been reported in Guinea, but no deaths.

**Quote of the Week**

“If the Resurrection is not historic fact, then the power of death remains unbroken, and with it the effect of sin; and the significance of Christ's Death remains uncertified, and accordingly believers are yet in their sins, precisely where they were before they heard of Jesus' name.” ~*William Simpson*

**Scripture of the Week**

Blessed be the God and Father of our Lord Jesus Christ, which according to his abundant mercy hath begotten us again unto a lively hope by the resurrection of Jesus Christ from the dead. *I Peter 1:3*
